Up-to-date information for funds in Luxembourg and Sweden

May 22, 2019

**Swedish-Nordic Chamber of Commerce in Belgium
& Luxembourg in collaboration with KPMG Sweden**

On May 22, 2019, we welcome you to a seminar on fund news in Luxembourg and Sweden. The seminar ends with a lunch.

Fund structures, news from Sweden and Luxembourg

- Ongoing discussion on SICAV structures in Sweden
- Lessons learned/Attention points for Swedish Asset managers contemplating using the services of a Lux 3rd party supplier from an internal control perspective
- Presentation on Luxembourg RAIFs
- Latest trends and challenges for Luxembourg fund vehicles

Sustainable Investment (ESG): Impact of the European legislation on the investment fund industry

- Current status of EU legislative measures on ESG for investment funds
- Impact of ESG on return / profitability of investment funds and their managers
- Assessment on ESG serving as enhancement for distribution activities
- Investor trends pertaining to ESG

Speakers from KPMG and industry experts representing VP Fund Solutions, Crestbridge, EDMOND DE ROTHSCHILD ASSET MANAGEMENT, GSK Luxembourg, Sparinvest, East Capital and Carnegie.

A complete programme will follow soon!
